## Appendix 1.0

Interest/Profit rates are applied on the respective individual tier balance – please see the illustrative example below:

If Customer maintains a minimum daily balance of SGD1.0million in the Eligible Account, the first SGD30,000 of such credit balance earns interest/profit rate of 0%, the next SGD970,000 of such credit balance earns interest/profit rate of 0.23%. Accordingly, the annualised interest/profit which the Customer will be entitled to is as follows:

Tier	Balance Tier	Rates	Annualised Payout (for minimum daily balance of SGD1.0million maintained in Eligible Account)
1	SGD0 - SGD30,000.00	Nil	0% on 1st SGD30k = SGD0
2	SGD30,00.01 - SGD1,000,000.00	0.23%	0.23% on SGD970k = SGD2,231
			<b>Total = SGD2,231 (annualised)</b>
