## Regional Account Linkage (RAL)

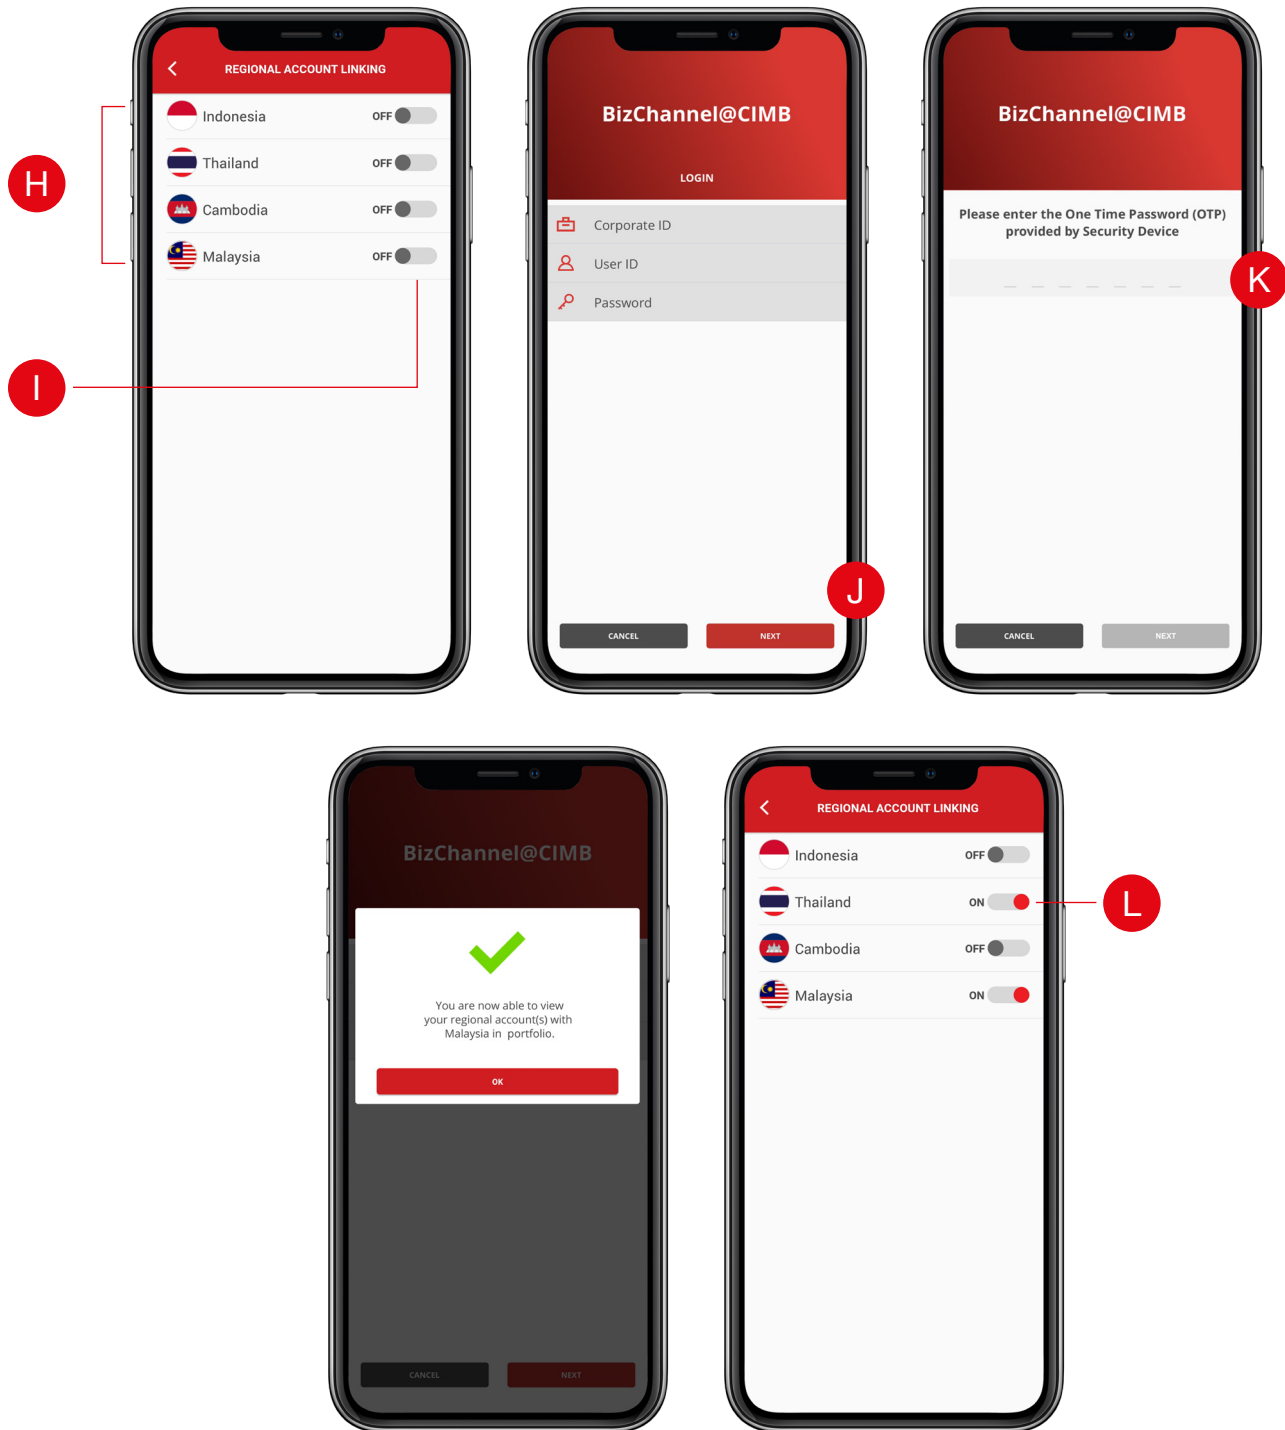

### REGIONAL ACCOUNT LINKING

- A** Tap “☰” icon to view the administrative setting for user.
- B** Tap “Settings” to view settings for Mobile App.
- C** Set up “Regional Account Linking” on BizChannel@CIMB Mobile App.
- D** Tap “NEXT” to proceed.
- E** To hide the message, tap “✓” icon.
- F** Swipe right or left to link/delink CIMB accounts from selected countries.
- G** Exit screen by tapping the < icon.

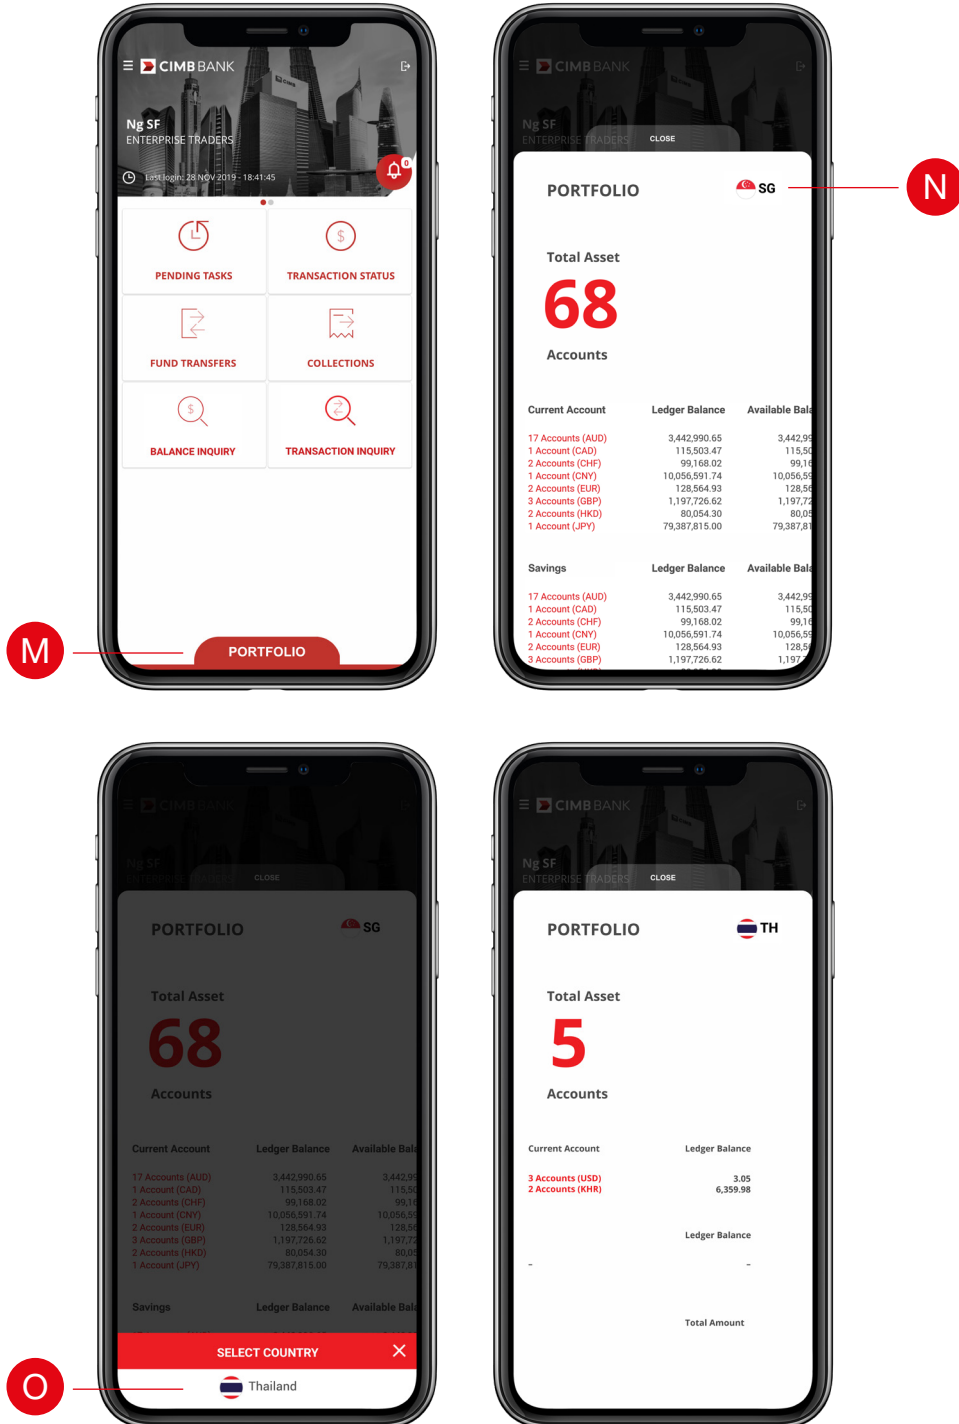

- H** Regional Account Linking screen will display the following countries for selection:
  - (a) Indonesia
  - (b) Thailand
  - (c) Cambodia
  - (d) Malaysia
- I** Swipe right to link your selected country. Upon selection, user will be direct to selected Country **“Login”** page.

- J** Enter your selected Company ID, User ID and password for linking, tap **“NEXT”**.
- K** One Time Password (OTP) screen will appear, enter OTP via Security Device/SMS OTP.
- L** Selected country toggle will display **“ON”** when successfully linked.

- M** Tap **"PORTFOLIO"** to view your regional account balance/portfolio placed with CIMB (Malaysia, Indonesia, Singapore, Thailand and Cambodia).
- N** Select country flag on top right of Portfolio screen.
- O** View other country account/portfolio.

**REGIONAL ACCOUNT DELINK**

- A** Select “**Regional Account Linking**” to unlink other country accounts.
- B** Swipe left to delink CIMB accounts from selected countries.
- C** Tap “**Country**” to remove linkage of selected country. The country toggle will display “**OFF**”.
- D** Exit screen by tapping the < icon
