Advisory From The Singapore Police Force – Warning

Your account should be for your own use and you are responsible for all transactions made through your account.

You may be facilitating criminal activities such as money laundering and/or unlicensed money lending if you:

1. Knowingly allow other people to operate, access and/or control of your account; and/or
2. Knowingly receive money from strangers, dubious sources, or other unverified sources.

You can be prosecuted for the relevant offences if your account is used to receive or transfer money linked to criminal activities. These offences carry a punishment of a fine and/or imprisonment.

You should make the necessary application to your financial institution if you wish to authorise the operation, access and/or control of your account to a third party. A failure to do so would subject your account to additional risk mitigation measures, and in some cases, your financial institution may terminate or restrict your use of your account and other related accounts you may have with your financial institution.

I/We acknowledge that I/we have read and agree to all the above.
