2. Registration Form

(a) Fill in all the required fields and verify your email account by clicking on "Email Verification". Key in the one-time password(OTP) that was sent to your email to complete the verification process. After verifying your email address, click on "Continue" to proceed.

The screenshot shows the registration form for BetterHealth. At the top, it says "Powered by MHC - A BetterHealth Company". The form is titled "Registration" and asks the user to "begin, tell us more about yourself". Under "Personal Details", there are fields for "Name as per NRIC", "Date of birth", "NRIC/FIN no.", "Gender", and "Enter your email". Below these is an "Email Verification" button and a note: "Please verify your email address via OTP". There are also fields for "Login ID" (with the note "Your app Login ID.") and "Create your password" and "Confirm your password" (with a password strength indicator: "Your password must: Be at least 8 characters long, Contain one number, Contain one uppercase letter, Contain one lowercase letter"). A "Continue" button is at the bottom right.

The screenshot shows the email verification step. It features an envelope icon with an '@' symbol. The text reads: "An email has been sent to you!". Below this, it says "Please enter the verification code sent to:" followed by a partially filled email address ".com" and a field for the "UWHM" code. There is a "Resend OTP (2/4)" link and a green "Submit OTP" button. A "< Back" link is in the bottom left corner.

The screenshot shows the successful email verification step. It features an envelope icon with a checkmark. The text reads: "Email Verification is successful". Below this is a green "OK" button.

3. Registration is completed*

You will receive an email with our BetterHealth App download url link for Android/iOS devices. Follow the steps to set up your profile on our BetterHealth App, please refer to the BetterHealth CIMB User Guide.
