

CIMB PAYLATER PRODUCT TERMS

1. Each CIMB PayLater (the **"PayLater"**) shall be subject to these terms and conditions and the General Terms and Conditions Governing Personal Loans (the **"General Terms"**). In the event of any conflict or inconsistency between these terms and conditions and the General Terms, these terms and conditions shall prevail and the General Terms shall be deemed to be modified so far as it is necessary to give effect to these terms and conditions.
2. In these terms and conditions, please note that **"you"**, **"your"** and **"Customer"** refer to the person who submitted the Application(s) (as defined below). The terms **"CIMB"**, **"we"**, **"our"**, **"us"** and the **"Bank"** refer to CIMB Bank Berhad, Singapore Branch and its successors and assigns.

Qualifying Conditions

It shall be the Customer's responsibility to enter the correct PayLater amount in the Application and CIMB shall have no obligation to verify the PayLater amount entered by the Customer in the Application. In the event the PayLater amount applied for does not match the purchase price of the goods and/or services to be financed:
 - (a) the Application may be rejected;
 - (b) where the Application is approved, the Customer shall settle the shortfall or excess (as the case may be) between the PayLater amount and the purchase price of the goods and/or services directly with the Partner (as defined below); and/or

The Approval Letter shall specify the approved terms of the PayLater, such as:
 - (a) the PayLater amount (the **"Approved Loan Amount"**);

- (b) the merchant/service provider from whom the Customer is purchasing the goods and/or services to be financed by the PayLater or any entity which provides a mobile application, website or other platform through which the merchant/service provider sells the Customer the goods and/or services to be financed by the PayLater (the “**Partner**”);

The PayLater is uncommitted and the Bank may from time to time at its absolute discretion, and without furnishing any reasons, amend any one or more of the terms in the Approval Letter.
9. Upon approval of the Application, a PayLater account and a PayLater repayment account (the “**Repayment Account**”) will be opened in your name. Where you have more than 1 approved Application, separate PayLater accounts and Repayment Accounts will be opened for each approved Application.

Disbursement

12. Upon approval of the Application, the Approved Loan Amount will be disbursed by way of direct payment to the Partner stated in the Approval Letter.

Processing Fee

13. The applicable Processing Fee for the PayLater shall be as specified in the Approval Letter and shall be payable together with the first Monthly Instalment (as defined below).

Interest

14. The applicable Interest Rate for the PayLater shall be as specified in the Approval Letter.

from the published rate on the CIMB PayLater web page and/or such other publicity materials and those offered to other customers.

16. The total interest payable (if applicable) on the PayLater shall be computed using a front-end add-on method by multiplying the Approved Loan Amount by the Interest Rate over the Loan Tenure (the “**Total Interest**”).
17. All interest shall accrue from the date of disbursement until the date of full payment (as well after as before judgment).
18. Unless otherwise provided, all interest charged will be calculated based on a 365 day year.

CIMB reserves the right to make rounding adjustments to the Monthly Instalment Amount and to vary the amount of the last Monthly Instalment Amount to ensure that the PayLater is repaid in full by the end of the Loan Tenure.
22. In respect of each Monthly Instalment, the Monthly Instalment Amount shall be apportioned between principal and interest repayment (if applicable) by applying the “rule of 78” method.
23. CIMB may, from time to time at its absolute discretion, and without furnishing any reasons, vary the Loan Tenure, Monthly Instalment Amount and/or proportion of principal and interest paid in each Monthly Instalment. Such variation will take effect from the date stated in our notice to you.
24. Payment of the Monthly Instalment shall be made to the designated Repayment Account. CIMB shall not be liable and/or grant any waiver for any charges, overdue payments or interest incurred by the Customer due to payment to the incorrect Repayment Account.

26. The prevailing late payment fee shall be as set out on the official CIMB website or otherwise notified to you in such manner as we determine appropriate.
27. CIMB may, from time to time at its absolute discretion, and without furnishing any reasons, vary the late payment fee and the basis for calculating the late payment fee. Such variation will take effect from the date stated in our notice to you.

28. CIMB reserves the right to charge default interest on all overdue amounts at such rate as CIMB may stipulate from time to time from the due date until the date of payment, as well after as before judgment, such interest accumulating by way of simple or compound interest as determined by CIMB in its absolute discretion.

31. An early repayment fee may be charged for any early repayment of the PayLater. The prevailing early repayment fee shall be as set out on the official CIMB website or otherwise notified to you in such manner as we determine appropriate.
32. After receiving your notice of early repayment, we will inform you of the Outstanding Balance and the due date for payment.
